Your Excellency,
Thanks for your mail.
The Agency that fixed your visit was very strict about the PM engagement, that was why we restrained ourselves from concluding any other thing up till now outside of the PM Speech to avoid international complication

But we are working on the two other important meetings (The Nigeria Chief of Defence Staff and the President)
We should be fine..

We would like to coordinate all this with the Israeli Embassy in Nigeria. Would you like to introduce me by mail to the appropriate person in the Israeli Embassy?

Best Things Always.
Tim
